

**You protect  
the people.**

**We protect the gear.**

Gear Guardian® washer-extractors and drying cabinets are made specifically for heavy, bulky turnout gear. They are pre-programmed with NFPA 1851 compliant formulas to make caring for your gear hassle-free.

**Contact an authorized Milnor distributor or call 800-469-8780  
to learn more about Milnor's Gear Guardian line.**
